Volume XV

Scuffed and worn stairs, desks out of line, locker doors almost closed, and faraway voices are clues to the life that goes on in the building that houses Susquehannock High School. We have tried to record some evidence of this life on the lifeless paper of this *Calumet*, and we hope that with the aid of these pictures and words you will remember some of the real hours and minutes you spent here in the 1965-66 term.

We, the CALUMET staff of 1966, are proud to dedicate this edition of the CALUMET to someone who was very special to the students of our school.

Through the years we will remember this person not only as a librarian but also as a sincere and helpful friend. She bore the burden of our problems while serving as our librarian for eight years. We could never have been successful in our many assignments during these years without her devotion and hard work. She set an example for us—to do our best at all times. To many this woman was also a friend to turn to for understanding aid and advice; the personal favors that she was always willing to do are far too numerous to be counted.

To show the sincere gratitude and appreciation we have felt for so valuable a woman we dedicate this yearbook to Mrs. Dorothy D. Holahan.

TO THE CLASS OF 1966:

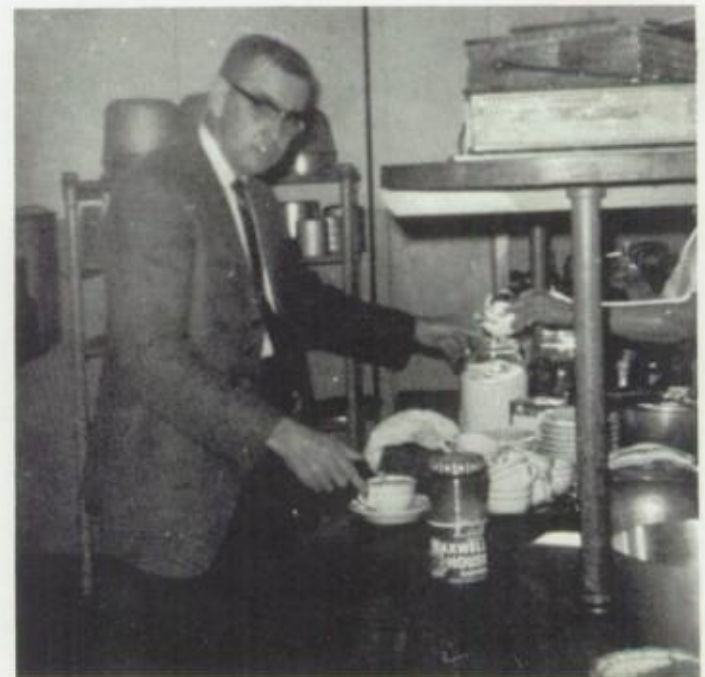

Though the path be rough, the climb to the top is worthwhile.

You, the members of the class of 1966, have reached the top of your secondary education years. You are at the heights of the beginning and your potential ability is still waiting to be tried.

Whether you realize it or not, at this time, this past year will always be one of the most enjoyable and profitable years of your life. Keep in mind that you get out of anything only what you put into it. There is no easy road to success. Hard work and many problems are ahead of you. Many individuals will help you to keep your path as smooth as possible in the future, but remember *you* are the master of your ship.

Chart a good course, steer a good ship, and may all of you be successful in your chosen careers.
